The reading evokes contrasting images of God, a God who judges and a God who saves. We might reflect on how our image of God has changed with the years. What has helped you to believe in a God whose will is that you should have eternal life?

God sent his Son into the world for this purpose, that we may have eternal life. How has the story of Jesus helped you to have that kind of faith?

The eternal life promised, is life that begins now, and survives all forms of death, failure, defeat, and humiliation. What has helped you to have that sense of being alive, even in painful and disappointing circumstances?
