Seeing your Life through the Lens of the Gospel—

A gift given in love, is given to be enjoyed, treasured, and used. Through fear, one servant failed to recognise the loving trust being showed to him and buried the talent. When have you found that overcoming fear helped you to make the most of opportunities in life?

On the level of our own personal life, faith is not given to us to be locked away, but to be 'traded' with. We trade with it when we believe in its value, trust it, and use, bringing it into the experiences we have in daily life. Can you recall times when relying on your faith has brought you rewards? Likewise with our own personal gifts and talents. We can fall into the trap of seeing these as our personal possession so that we can do with them as we like, rather than share them as the gifts so that they can be multiplied. What is your experience of hoarding or sharing your own gifts? When did you feel most alive?

For the Pope: We pray for the Holy Father, as he fulfils his mission, may he continue to accompany the flock entrusted to him, with the help of the Holy Spirit.
