### 15<sup>TH</sup> JULY – ST BONAVENTURE, BISHOP & DOCTOR OF THE CHURCH

**S**T BONAVENTURE was born at Bagnoregio in Etruria in about 1218. He became a Franciscan in 1243 and studied philosophy and theology at the University of Paris. He became a famous teacher and philosopher, part of the extraordinary intellectual flowering of the 13th century. He was a friend and colleague of St Thomas Aquinas.

At this time the friars were still a new and revolutionary force in the Church, and their radical embracing of poverty and rejection of institutional structures raised suspicion and opposition from many quarters. Bonaventure defended the Franciscan Order and, after he was elected general of the order in 1255, he ruled it with wisdom and prudence. He is regarded as the second founder of the Order.

He declined the archbishopric of York in 1265 but was made Cardinal Bishop of Albano in 1273, dying a year later in 1274 at the Council of Lyons, at which the Greek and Latin churches were (briefly) reconciled.

Bonaventure wrote extensively on philosophy and theology, making a permanent mark on intellectual history; but he always insisted that the simple and uneducated could have a clearer knowledge of God than the wise. He was declared a Doctor of the Church in 1588 by Pope Sixtus V.

### 16<sup>TH</sup> JULY – OUR LADY OF MOUNT CARMEL

**H**OLY SCRIPTURE celebrates the beauty of Mount Carmel, where the prophet Elijah defended Israel's pure faith in the living God. In the 12th century some hermits took up residence on this mountain and eventually set up the Carmelite Order, which is dedicated to living a contemplative life under the patronage of the Holy Mother of God. Some well-known members of the Carmelite Order are St John of the Cross, St Teresa of Avila, St Therese of Lisieux and St Teresa Benedicta of the Cross (Edith Stein).
