WORLD MISSION SUNDAY

World Mission Sunday is the Holy Father's annual appeal for spiritual and financial support so that the life-giving work of overseas mission and missionaries can continue. It always falls on the second last Sunday in October, and like the Good Friday collection for the Holy Land and Peter's Pence, it is one of three yearly universal Church collections. World Mission Sunday collections take place in every single parish where the Church is present. This includes not only Ireland and Europe, but also in poorer parishes in developing countries. It is a moment of universal solidarity when each member of the Church family, regardless of location or background, play their part in supporting each other. This is what makes it such a special celebration. All offerings and donations made for World Mission Sunday become part of the Holy Father's Universal Solidarity Fund. This fund is a lifeline for struggling missionaries and the communities they serve across Africa, Asia and Latin America, where over 1,100 mission dioceses are found. As these dioceses form and grow, so do their needs. On top of this, mission dioceses are often in remote areas devastated by war and natural disasters, or where suppressed communities are just opening up to the life-saving message of Jesus Christ. The needs of overseas dioceses vary greatly. Anything from a motorbike so a priest can celebrate Mass in a remote village, to a community hall to allow people to gather and celebrate in safety. Or more urgently, vaccinations and medicines to protect the vulnerable. In essence, World Mission Sunday:

- Provides Church centred infrastructure by helping communities build schools, clinics, parish halls, and churches
- Prepares the future leaders and carers of the Church by supporting the training of sisters, priests, religious brothers and catechists
- Supports missionary programmes that protect and care for children's wellbeing by offering safe shelter, healthcare, education, and hope for the future.
